

NEW PRODUCT RANGE
COST EFFECTIVE 24V
MAGNETIC TRACK

4D Lighting are excited to show you the new product range for the cost effective 24V magnetic track system. This is a linear track that

can be surface mounted, suspended or recessed that is completely magnetic and has a variety of different luminaire's that just clip in place. This system is easy to install and you can combine different luminaires to suit your needs!

For more information then click the link below or please don't hesitate to get in touch with us!
