

T11

LED Down lighter

CODE: **DDM LED - SQUARE DOWN LIGHTER**

Model type T11 SDM 1130

DESCRIPTION

- High Quality range of compact recessed down lighters.
- Incorporates the latest LED technology from Philips lighting "FORTIMO ballast.
- 50% energy saving compared to CFL.
- 50000 Hours lamp life.
- Lightweight and slim to suit small ceiling voids with a cut out size of 185x185mm.
- Side arms support bracket to suit suspended and plasterboard ceilings,

Model type T11 SDM 1130

Power consumption **19w**

Colour Temp **3000**

Colour rendering (RA) **80**

Lumen output (lm) **1100**

Efficacy (luminaire) **lm/W 56**

Life (L70) **50000 HOURS**

Touch and Dim / DALI **OPTIONAL**

Heat management **Passive**

Emergency **Optional**

T11

LED Down lighter

CODE: **DDM LED - SQUARE DOWN LIGHTER**

Model type T11 SDM 1140

DESCRIPTION

- High Quality range of compact recessed down lighters.
- Incorporates the latest LED technology from Philips lighting "FORTIMO ballast.
- 50% energy saving compared to CFL.
- 50000 Hours lamp life.
- Lightweight and slim to suit small ceiling voids with a cut out size of 185x185mm.
- Side arms support bracket to suit suspended and plasterboard ceilings,

Model type T11 SDM 1140

Power consumption **18w**

Colour Temp **4000**

Colour rendering (RA) 80

Lumen output (lm) **1100**

Efficacy (luminaire) **lm/W 59**

Life (L70) **50000 HOURS**

Touch and Dim / DALI OPTIONAL

Heat management Passive

Emergency Optional

T11

LED Down lighter

CODE: **DDM LED - SQUARE DOWN LIGHTER**

Model type T11 SDM 2030

DESCRIPTION

- High Quality range of compact recessed down lighters.
- Incorporates the latest LED technology from Philips lighting "FORTIMO ballast.
- 50% energy saving compared to CFL.
- 50000 Hours lamp life.
- Lightweight and slim to suit small ceiling voids with a cut out size of 185x185mm.
- Side arms support bracket to suit suspended and plasterboard ceilings,

Model type T11 SDM 2030

Power consumption **36w**

Colour Temp **3000**

Colour rendering (RA) 80

Lumen output (lm) **2000**

Efficacy (luminaire) **lm/W 53**

Life (L70) **50000 HOURS**

Touch and Dim / DALI OPTIONAL

Heat management ACTIVE

Emergency Optional
