

## Petina

Ultra- Slim LED Single and double sided exit sign.

### DESCRIPTION

At only 30mm the single sided version of the Petina is one of the slimmest emergency exit sign available on the market.

This beautifully designed, elegant clean square LED Emergency Luminaire can be wall or ceiling mounted with use of the new wire-suspension kits and end-mounting back brackets.

Suitable for maintained or non-maintained modes.

### AVAILABLE VERSIONS

This emergency luminaire is available in a range of finishes: White/ Black/ Brass/ Silver-Grey and Chrome.

Doubled-Sided Version of this luminaire is available which is now only 45mm which is probably one of the slimmest double sided exit sign ever designed.
